No Traffic Interfering Work Schedule for Holiday Weekend

Colfax to the Nevada State line— The California Department of Transportation (Caltrans) announces that no traffic interfering work is scheduled on Interstate 80 between Colfax and the Nevada State line starting at noon Friday, May 22 through 10 p.m. Monday, May 25. The break in construction work is to allow for the anticipated holiday traffic during the Memorial Day weekend.

To assist motorists traveling over the Sierra Nevada Mountains on I-80, Caltrans developed the GetAcross80.com public awareness campaign. Citizens are encouraged to call 1-877-362-8080 for recorded information or log onto www.getacross80.com for travel information, project descriptions, sign up for email alerts, view live traffic camera and read the latest news on the Sierra Repair Projects.

Caltrans urges all motorists to use caution in this area and to "Slow for the Cone Zone".
