Jody Jones, District Director  
**Contact:** Rochelle Jenkins [rochelle\\_jenkins@dot.ca.gov](mailto:rochelle_jenkins@dot.ca.gov)  
**Phone:** 530-634-7640

**FOR IMMEDIATE RELEASE**

## Interstate 80 Subject to Lane Restrictions on Holiday Weekend

**Truckee** – The California Department of Transportation (Caltrans) is alerting motorists that delays are expected on Interstate 80 (I-80) due to lane and width restrictions between Truckee and the Nevada State Line during the Memorial Day Weekend. Delays in excess of 30 minutes can be expected. Due to the ongoing construction, only three of the four traffic lanes are available and lanes are narrowed to 11 feet. The lane restrictions are as follows:

**10 a.m. Thursday, May 27 through 6 a.m., Sunday, May 30:**

Westbound – 1 lane  
Eastbound – 2 lanes

**6 a.m. Sunday, May 30 through 10 p.m. Monday, May 31:**

Westbound – 2 lanes  
Eastbound – 1 lane

The lane and width restrictions are part of the \$71 million Truckee River Canyon project on I-80 between Truckee and the Nevada State line. This project is designed to remove and replace the worn roadway pavement, replace the existing median barrier and guardrail, improve drainage and increase shoulder widths. Completion is scheduled for the Fall of 2010.

Caltrans urges motorists to consider alternate routes, avoid peak travel times (2 p.m. to 9 p.m. Thursday and Friday and 10 a.m. to 6 p.m. Sunday) and use caution in this area and to "Slow for the Cone Zone". For more information, visit [www.getacross80.com](http://www.getacross80.com).
