

Scheduled Travel Restrictions October 21– October 31

(Please note that schedules listed are subject to change
due to inclement weather)

LONG-TERM CLOSURE

On Interstate 80, the east and westbound Donner Rest Areas will be closed from **May 3, 2010 to May 1, 2011**. A contractor is schedule to replace both rest areas. When this \$3.4 million project is complete the facilities and parking will be upgraded to meet the demands of the more than three million annual visitors and will be compliant with the Americans with Disabilities Act standards.

Weekly Construction Schedule

Interstate 80 (Placer County) from Carpenter Flat to Hampshire Rock: Work has begun on the \$167 million Emigrant Gap project on Interstate 80. Work includes total roadway replacement, improving the drainage systems, and adding a new sediment/debris collection system.

On Interstate 80 from Emigrant Gap to Rainbow: Motorists can expect various east and westbound lane and ramp closures from **6 p.m. Sunday through 9 a.m. Saturday**. A contractor is scheduled to do miscellaneous construction work and paving.

On Interstate 80 at Eagle Lake Road: Motorists can expect various east and westbound ramp closures from **6 p.m. Sunday through 9 a.m. Saturday**. A contractor is scheduled to do miscellaneous construction work and paving.

Interstate 80 (Nevada County) from Donner Summit to Donner Lake: Work continues on the \$71 million Donner III construction project to improve Interstate 80. Work includes repaving the existing roadway, reconstructing failed sections of roadway, adding new drainage systems, upgrading existing drainage systems and construction of a new sediment/debris collection system. Completion is expected in 2011.
Project is on suspension.

Interstate 80 (Nevada County) from Donner Lake to Donner Pass Road in Truckee: Work continues on the \$70 million Donner I construction project to improve Interstate 80. Work includes repaving the existing roadway, reconstructing failed sections of roadway, adding new drainage systems, upgrading existing drainage systems, construction of a westbound truck-climbing lane from Donner Pass Road to the Donner Lake Interchange and construction of a new sediment/debris collection system. Completion is expected in 2010.

On Interstate 80 from the Trout Creek under-crossing to the Donner Lake undercrossing: Motorists can expect various east and westbound lane and ramp closures from **5 a.m. to 8 p.m. (noon Friday) Monday through Saturday**. A contractor is scheduled to do miscellaneous construction work.

Interstate 80 (Nevada County) from Boca to the Nevada State line: Work continues on the \$73 million Truckee River Canyon construction project to improve Interstate 80. Work includes repaving the existing roadway, reconstructing failed sections of roadway, adding new drainage systems, upgrading existing drainage systems, construction of a westbound truck-climbing lane from Donner Pass Road to the Donner Lake Interchange and construction of a new sediment/debris collection system. Completion is expected in 2010.
